ABOUT THE BAPTISMAL CERTIFICATE

N.B. (a) If you cannot locate your child's baptismal certificate, please request a copy from his/her Church of Baptism immediately. Obtain it and attach it to the Registration Form.

N.B. (b) If the Baptismal Certificate is *not in English*, please *translate* it into English on a separate sheet of paper and attach both the certificate and the translation to the Registration Form.

N.B.(c) If the Baptismal Certificate is not for a Roman Catholic Baptism, your child must have been "received into the Catholic Faith" and you should have a "Profession of Faith" form in your possession indicating that. If this has not been done and you are members of St. Catherine of Siena Parish, please notify our office immediately for the necessary forms to be filled out. If this has not been done and you go to another Catholic Church, please notify their office immediately. PLEASE NOTE however, that a Profession of Faith form whereby your child is "received into the Catholic Church" **changes the religion of your child**. Therefore, **both** parents must be in agreement.
